Agenda

1. Minutes of 1985 A.G.M.
2. Review of 1985 Competitions.
3. Secretary's Report.
4. Treasurer's Report.
5. Discussion on New Constitution.
6. Election of Committee for 1986/7.
7. Sponsorship.
8. Any other business.

The meeting was opened by Mr. Turlough O'Brien, Chairman who reviewed the competition in 1985/6. The competition had been a success with the colleges involved, Kevin St. College emerging as eventual winners.

Much of the meeting centered on discussion on the new draft constitution. Changes were made to the constitution, and the new constitution is included.

Affiliation to the I.R.F.U.

The new Committee members were delegated to write to the I.R.F.U. with a view to having a meeting with them concerning affiliation and insurance. Concern was expressed at the high cost of affiliation to the I.R.F.U.

International Games

A discussion developed on a National Squad. Contacts have been arranged in England and Wales with a view of organising a series of international matches. As the I.C.F.U. would depend on a great extent on sponsorship for international matches, it was the feeling of the meeting that our first priority was to organise the I.C.R.U. nationally prior to seeking sponsorship for an international series.
